

Dear New Second Grader,

Congratulations on completing a fantastic year of learning! Summer is a great time to relax, explore, and let your imagination soar. To keep your reading skills sharp and make your summer even more enjoyable, we have an exciting summer reading assignment just for you! Get ready for a summer filled with wonderful stories and adventures.

1. Choose at least five books to read over the summer. You can pick books from your local library, bookstore, or even from your own bookshelf at home. Select books that interest you, whether they are picture books, storybooks, or early chapter books. Feel free to ask your parents or librarian for suggestions! A list of suggested books is attached.
2. Keep a reading journal (you will receive a copy) to record the books you read. Write down the title and author of each book, along with a brief summary of your favorite part or what you liked about the story. You can also draw a picture related to the book or create a bookmark for each one.
3. Try to read at least 15 minutes every day. Find a cozy spot where you can curl up with a book and let your imagination take flight. You can read independently or with a family member or friend. Remember, reading can happen anywhere, whether it's at the park, by the beach, or even under a shady tree.
4. Share your reading adventures. Talk to your family or friends about the books you read. Share what you enjoyed most, any interesting characters you encountered, or exciting places you discovered in the stories. You can even start a mini book club with other first graders in your neighborhood.
5. Get creative! Choose one of your favorite books and create a book-inspired craft or project. It could be a diorama, a character puppet, or even a short play based on the story. Use your imagination to bring the book to life in a fun and unique way. **This is optional!!

Remember, reading opens doors to new worlds, sparks your imagination, and helps you discover new ideas. We hope you have a fantastic time with your summer reading adventure. Enjoy the stories, explore new horizons, and let your love for reading grow!

Wishing you a wonderful summer filled with joy, laughter, and many captivating books.

Happy reading!

The Second Grade Teachers
