5/Class of 2027	220.4	91	Advanced
6/Class of 2026	225.3	92	Advanced
7/Class of 2025	226.1	86	Proficient/Advanced
8/Class of 2024	231.3	89	Advanced

MATH Spring 2024

Grade/Class	Mean RIT score	Achievement Percentile	Rankings: <ul style="list-style-type: none">• Below Standards• Proficient• Advanced
1/Class of 2031	190.2	98	Advanced
2/Class of 2030	193.8	74	Advanced
3/Class of 2029	206.1	76	Proficient/Advanced
4/Class of 2028	213.7	65	Proficient
5/Class of 2027	219.5	52	Proficient
6/Class of 2026	229.9	78	Proficient/Advanced
7/Class of 2025	231.3	68	Proficient
8/Class of 2024	238.4	78	Proficient/Advanced

NWEA Map Information for Parents:

St. Philip Preparatory School students in Grades 1-8 participate in NWEA Map testing three times a year (Fall, Winter and Spring). Kindergarten students take the NWEA Map testing only during the Spring Testing

NWEA tracks both student achievement and growth.

MAP Growth scores help teachers check student performance and understanding of academic skills and concepts.

MAP Growth tests are unique and adapt to your child's responses to measure your child's knowledge. If your child answers a question correctly, the next question is more challenging. If they answer incorrectly, the next one is easier. These results will provide a more complete picture of where your child is on their learning journey— regardless of whether they are on, above, or below their grade level.

Since MAP Growth tests provide immediate and accurate information about your child's learning, it's easy for teachers to identify students with similar scores in similar skills and topics and then plan instruction accordingly.

We are truly excited to focus on your child's individual growth and achievement. For more information about MAP Growth, visit [NWEA.org/familytoolkit](https://www.nwea.org/familytoolkit).
